

Instructions for authors:

Submission

Manuscripts should be submitted in pdf format and preferably following this hyperlink **Submit on line**. If this is not possible Authors should send two copies of the manuscript to one of the components of the Editorial Board.

The Paper

The manuscript may be written in English, French or Italian and should be in (standard) LaTeX. The source file will be requested to the corresponding Author upon the acceptance of the paper.

Title page

The title page must include: the full title, the full names, the affiliation with the complete address and the e-mail of all Authors, the designation of the corresponding Author.

Summary and keywords

The summary should be written in English. Keywords and Mathematics Subject Classification (MSC 2010) are also required.

Reference

The reference items should be listed in alphabetical order with the titles of the references in italic type, the citations of the meetings/workshops in slanted type. Abbreviations for journals should follow the standard of Mathematical Reviews and can be found at <http://www.ams.org/msnhtml/serials.pdf> or in the current index issue of Mathematical Reviews.

Proofs

The corresponding Author will receive e-mail regarding galley proofs. This email will also include instructions for returning corrections as well as links to forms required for publication.

Offprints

The Authors will receive 20 reprints free of charge which will be mailed to the corresponding Author.
